

Now is your chance to shape the future of Australia's nursing workforce!

Consultation on Australia's first National Nursing Workforce Strategy is open until 30 November 2023.

We'd like to hear from anyone who is a nurse, wants to be a nurse or has an interest in the future of the nursing workforce.

A range of ways to participate are available, choose the one that best suits you.

Online survey | Written submission | Video submission
Webinars | Face-to-face workshops
